

Using 2 Armscor and 4 Starline brass from Robert,  
and the DAA 38 Super Case gauge

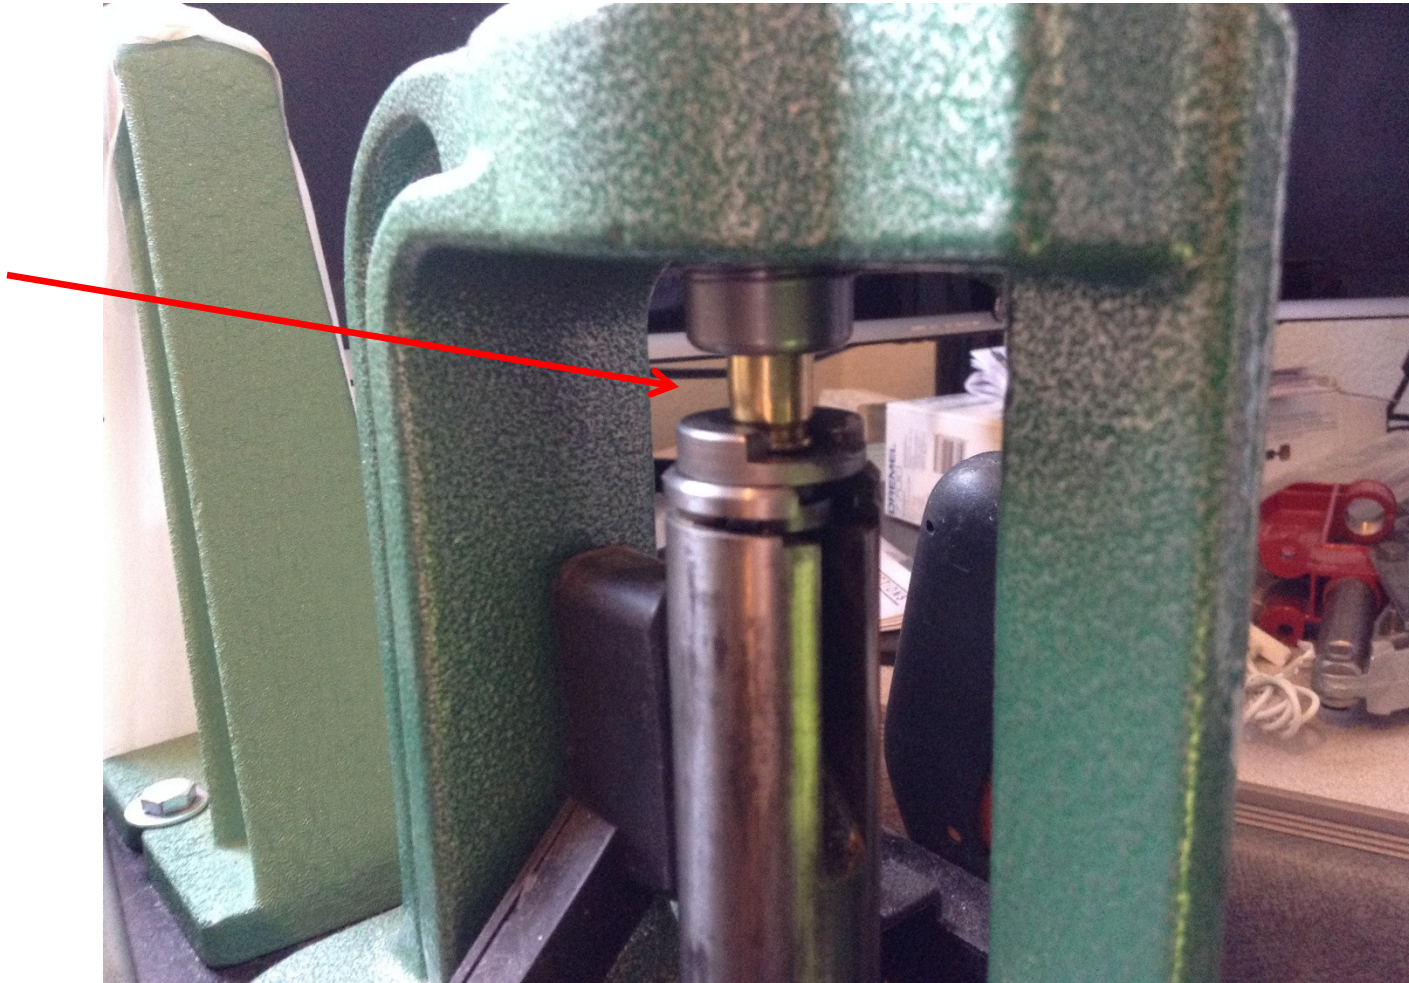

Using 2 Armscor and 4 Starline from Robert,  
and the Shockbottle CG38S-100 Super Case gauge which is the  
comp version **plus my Aguila in the back.**

Using the  
**Lee Undersized Carbide Sizing Die 38 Super**  
from Midway for \$19.99

**Note: not completely DOWN**

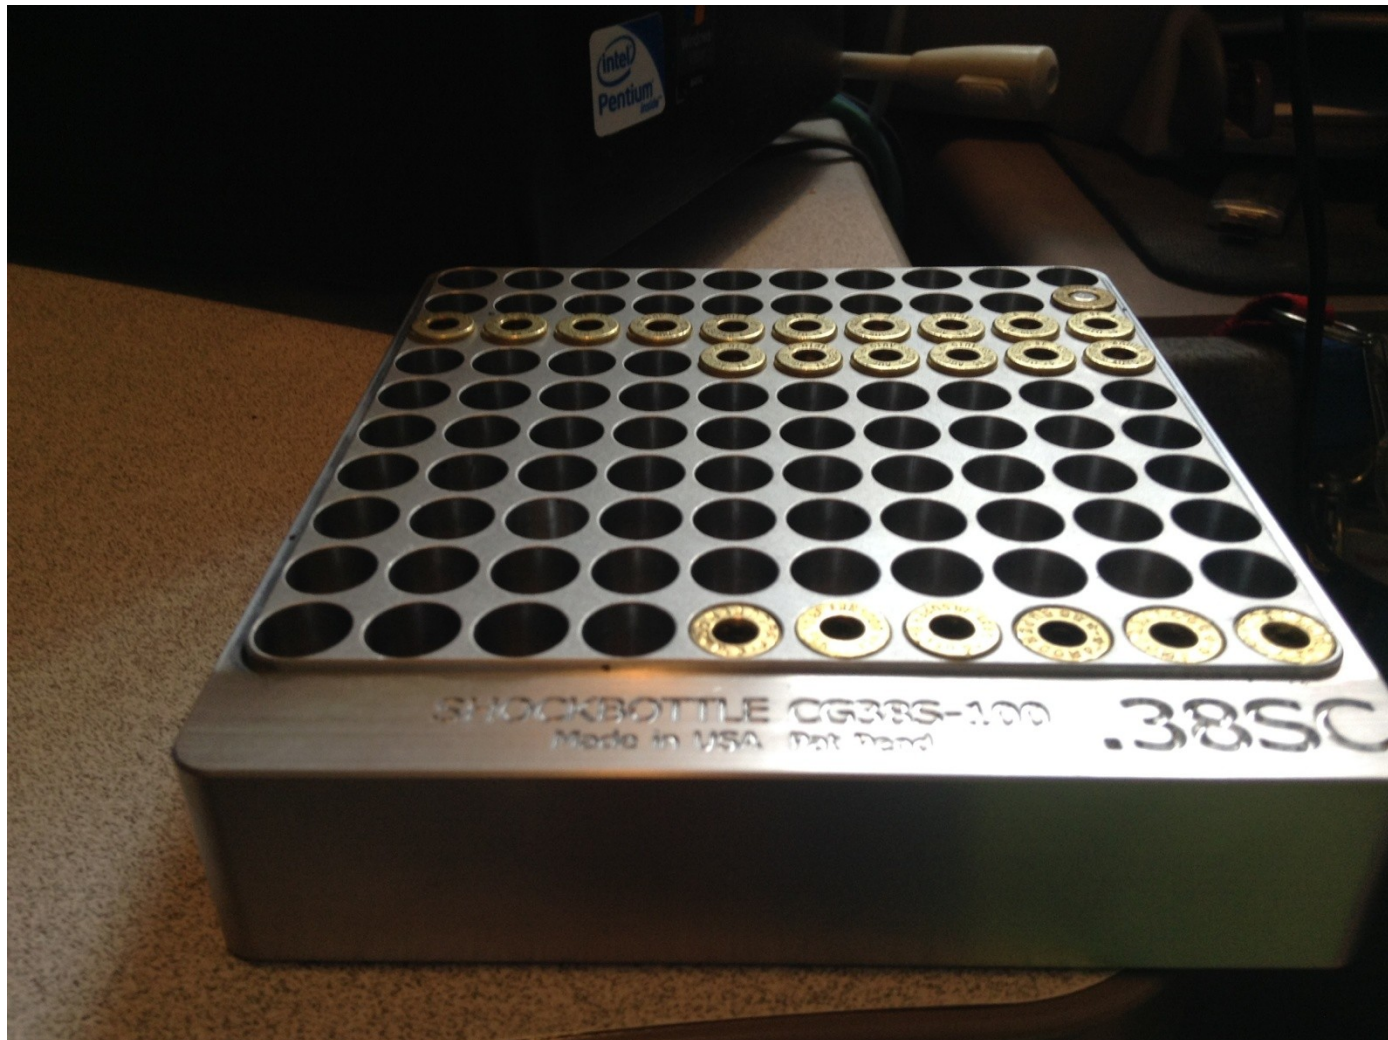

# Using the Lee Undersized Carbide Sizing Die 38 Super from Midway for \$19.99

**Note:** Completely DOWN

## Results are:

Notice, my Aguila are Super +P not comp., in this gauge they do not go all the Way down, but see next slide with a non comp. gauge.

Results are: for Aguila 38 Super +P brass

# Conclusions

Draw you own!

The **Lee Undersized Carbide Sizing Die 38 Super** has been working for me for 3 years.

I also use a 9mm and a 40 in my Dillon 650, quick change setups.
